Company & Product: Filter OnGo, Portable Water Filters (SPEC)

### Purifying Water Bottle - 22 oz

★★★★★4.7

ADD TO CART \$38.99

### Description

Don't make sacrifices for clean water. Filter OnGo's purifying water bottles make it possible to drink clean water without single-use plastics or heavy, pre-filled water bottles.

Bring an empty Filter OnGo bottle with you wherever you go, and fill it using drinking fountains, rivers, ponds, and even puddles. The advanced 7-filter system traps all heavy metals, bacteria, silt, viruses, and parasites, ensuring worry-free crisp drinking water every time.

### Specs
